

# Basic BettaCow Blends

## Custom blends to suit your feed requirements

NRM Basic BettaCow Blends allow you the opportunity to customise the supplement offered to your cows. Available as a loose meal, BettaCow Blends can be tailored to a variety of feeding situations.

### Raw Commodities\*

A range of commodities are available for you to select from...

- PKE
- Maize DDGs
- Kibbled Maize
- Rolled Barley
- Wheat Pellets
- Soya Bean Meal
- Soya Hulls
- Tapioca

Other commodity materials may be available from time to time.

### Nutritional Additives\*

A range of nutritional additives are also available for inclusion giving you the flexibility to suit the season and nutritional needs of your herd...

- Lime
- Magnesium Oxide
- Salt
- Vitamin & Mineral Premix
- Bovatec®
- Zinc Oxide
- By-pass Fat
- Flavouring
- Mycotoxin Binder
- Yeast

\*Subject to regional and seasonal availability.

### Blend Pricing

The commodities available in the Basic Blend offering are priced daily, via a daily price list. Contact your local rural supply merchant or NRM Nutrition Specialist for the latest pricing.

NRM Blend Contracts are available to provide the security of fixed pricing on your blend options. Talk to your local NRM Nutrition Specialist for more information.
