

Multifeed | Nuts

A convenient multi-species feed

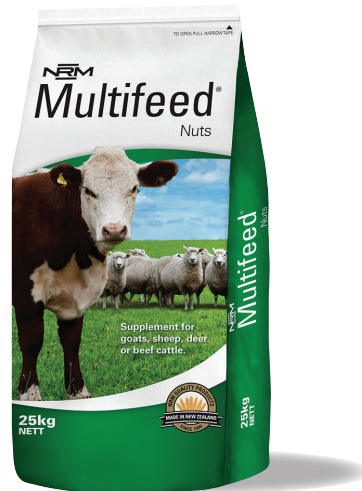

A balanced, versatile feed suitable for a wide range of animals including beef cattle, sheep, goats and deer.

NRM Multifeed Nuts provide improved condition and productivity in ruminant livestock where nutrient demands are high, e.g. pregnancy, lactation, wool growth and liveweight gain.

This versatile product will also assist in sustaining stock during periods of critical feed stress.

Key Benefits and Features

- Provides a source of energy to support improved liveweight gain.
- Can be used to improve condition of animals prior to sale or show.

Feeding Recommendation

NRM Multifeed Nuts are not formulated as a complete feed. Ensure that pasture or silage is always available. Always introduce new feeds gradually.

Feeding Rates

Sheep	Adults	Up to 150g daily
Deer	Fawns	Up to 250g daily
	Adults	Up to 500g daily
Cattle	Adults	Up to 3kg daily
Goats	Kids	Up to 200g daily
	Adults	Up to 350g daily

Ensure access to fresh, clean water at all times.
