

Horse & Pony | Pellets

Everyday nutrition

Suitable for horses and ponies in light to medium work and spelling.

A low energy, multi-purpose pelleted feed designed to provide basic, essential nutrition to horses and ponies in light to medium work, or as a supplement to pasture or hay. Feed with or without added chaff or haylage.

Feeding Rates

BODYWEIGHT	PER DAY
250 - 350kg	1 - 2kg
350 - 450kg	2 - 2.5kg
450 - 550kg	3 - 4kg
550kg +	3 - 4kg

Key Benefits & Features

- Natural vitamin E which has superior bioavailability compared to synthetic sources.
- Convenience of a pellet.
- Economical alternative.
- Nutritionally balanced containing vitamins and minerals.

Feeding Recommendation

The quantity of NRM Horse & Pony required will depend on the horse's current body condition, growth rate and the quality and quantity of pasture. Always provide at least 1.5% of the horse's body weight in good quality forage (pasture, hay, chaff) per day. Always allow free access to fresh, clean water.

Feed To Perform

Typical Analysis

(approximate on an as fed basis)

Crude Protein 12%

Fat 2.5%

Fibre (NDF) 32%

Moisture 12%

Digestible Energy 11MJ/kg

Nutrient Composition per 1kg of NRM Horse & Pony (as fed basis)

Crude Protein	120g	Iron	200mg

NRM & Kentucky Equine Research

Perfect partners in the specialised field of equine nutrition. Kentucky Equine Research (KER) works closely with an international network of horse feed manufacturers dedicated to the advancement of equine nutrition and exercise physiology to produce healthier, more athletic horses. NRM is the exclusive KER brand alliance partner in New Zealand. Using advice from KER, NRM feeds are formulated to incorporate the very latest advances in equine nutrition.

The combination of NRM's in-depth knowledge of New Zealand horses and conditions and KER's advanced research in the field of equine nutrition makes NRM feeds some of the most scientifically advanced available in the local market. NRM formulate nutritionally balanced, state-of-the-art feeds for horses in all stages of life, and involved in all disciplines.
