

Sweetfeed | NEW FORMULATION Textured Feed

High activity nutrition

Suitable for horses in moderate to heavy work such as eventers, hunters and race horses.

NRM Sweetfeed is a highly palatable textured feed, designed to meet the needs of race horses and sport horses in moderate to heavy work. The inclusion of steam flaked grains meet the demands of increased workloads.

Sweetfeed is a complete feed, meaning it is balanced with vitamins and minerals.

Key Benefits & Features

- Linseed to increase omega 3 fatty acid level, enhancing coat condition and general health.
- Natural vitamin E which has superior bioavailability compared to synthetic sources.
- Increased grain, reduced pellets and added oil for improved consistency.
- Oats have been removed, giving the flexibility to add oats as required, or use as an oat-free feed.

Feeding Recommendation

The quantity of Sweetfeed required will depend on the horse's current body condition, work rate and the quality and quantity of pasture. Always provide at least 1.5% of the horse's body weight in good quality forage (pasture, hay, chaff) per day. Always allow free access to fresh, clean water.

Feeding Rates

BODYWEIGHT	PRE-TRAINING	MODERATE WORK	HARD WORK
400kg	2.5 - 4kg per day	3 - 4.5kg per day	4 - 5kg per day
500kg	3 - 5kg per day	4 - 5kg per day	5 - 7kg per day
600kg	3.5 - 6kg per day	5 - 6.5kg per day	6 - 9kg per day
