

MultiFeed Nuts

A convenient multi-species feed

NRM MultiFeed Nuts are suitable for a wide range of animals including beef cattle, sheep, goats and deer.

NRM MultiFeed supports improved condition and productivity in ruminant livestock where nutrient demands are high, e.g. pregnancy, lactation, wool growth and liveweight gain. This versatile product will also assist in sustaining stock during periods of critical feed stress.

Feeding Recommendation

NRM MultiFeed is not formulated as a complete feed. Ensure that pasture or silage is always available. Always introduce new feeds gradually. Always ensure access to clean, fresh water.
