

Assett[®] Textured Feed

Complete feed for growing horses and young horses in work.

Suitable for horses from 6 months of age.

NRM Assett[®] is a palatable and highly nutritious feed, balanced to meet the increased demands of developing horses and young horses starting work. Contains KER BMC[™] (Buffered Mineral Complex) Vitamin C and organic trace minerals from Kentucky Equine Research.

Key Benefits and Features

- Reduced grain, high fibre and fat formulation including KER Equi-Jewel[®] to supply low glycaemic energy.
- Contains high quality protein to provide essential amino acids vital for sound growth and development.
- Fortified with all the vitamins and minerals required for young horses including natural vitamin E, which has superior bioavailability compared to synthetic sources.
- Research shows KER BMC[™] serves as a potent buffer in both the stomach and large intestine and increases bone density in young working horses and weanlings.

Typical Analysis

Crude Protein	14%
Fat	6%
Fibre (NDF)	24%
Moisture	13%
Digestible Energy	12.5MJ/kg

NATURAL VITAMIN E

BMC

STEAM FLAKED GRAINS

Nutrient Composition per 1kg of NRM Assett (on an as fed basis)

Crude Protein	140g	Selenium	0.7mg	Vit B3 (Niacin)	40mg
Lysine	6g	Manganese ^	100mg	Vit B5 (Pantothenic Acid)	13mg
Methionine	2g	Iron	140mg	Vit B6 (Pyridoxine)	3mg
Calcium	12g	Iodine	1mg	Vit B7 (Biotin)	20mcg
Phosphorus	5g	Cobalt	0.3mg	Vit B9 (Folic Acid)	3mg
Magnesium	3g	Vit A	9,000IU	Vit C ^	200mg
Sodium	5g	Vit E ^	175IU		
Potassium	10g	Vit D	1,000IU		
Chloride	9g	Vit K	5mg		
Zinc ^	120mg	Vit B1 (Thiamine)	6mg		
Copper ^	40mg	Vit B2 (Riboflavin)	10mg		

^ contains Zinpro organic minerals and natural vitamin E and C

Assett[®] Textured Feed

Complete feed for growing horses and young horses in work.

Feeding Rates

GROWTH STAGE	HORSE WEIGHT	FEEDING RATE (KG/D)
Weanlings 6 to 12 months of age	200 - 350kg	3-4kg
Yearlings 12 to 18 months of age	350 - 450kg	3-5kg
Two year olds in work	400 - 450kg	Minimum 4kg

If NRM Assett[®] is not the best feeding solution for your horse, we recommend NRM Evolve or NRM Prepare as suitable alternatives. Horses less than 6 months of age should be fed NRM Prepare.

Feeding Recommendation

NRM Assett[®] can be fed alone or combined with a suitable fibre source. The above recommendations are for horses with a mature body weight of 500kg. Adjust intake according to needs based on breed, body weight, body condition, growth rate and available forage. Always provide at least 1.5% of the horse's body weight in good quality forage (pasture, hay, chaff, fibre products) per day. Always allow free access to fresh, clean water.

Ingredients

Fibre pellet, steam flaked barley, steam flaked maize, steam flaked peas, beet pulp, KER Equi-Jewel, grain and grain co-products, vegetable protein meal, molasses, cold pressed canola oil, KER vitamin and mineral premix including Zinpro organic trace minerals, amino acids, minerals and salts, KER BMC[™], mould inhibitor, apple flavour.

Storage

Please ensure product is stored in a cool, dry and vermin free environment.

Caution: Do not feed to any animal species other than those stipulated on the label.

NRM and Kentucky Equine Research

Kentucky Equine Research (KER) works closely with an international network of horse feed manufacturers dedicated to the advancement of equine nutrition and exercise physiology to produce

healthier, more athletic horses. Using advice from KER, NRM feeds are formulated to incorporate the very latest advances in equine nutrition. The combination of NRM's long-standing role as a leader in the New Zealand feed industry and KER's technical expertise in the field of equine nutrition makes NRM feeds some of the most scientifically advanced available in the local market.

NRM Stud and Breeding Horse Feed Range

A range of feeds providing essential ingredients for your horse's well-being.

Developed in partnership with Kentucky Equine Research (KER) and proudly manufactured in New Zealand, NRM feeds are unique blends of nutrients and quality products to optimise the health and performance of your horse.

There is an NRM feed to match the diverse needs of horses through every stage or activity level of their life. It is important to carefully monitor energy levels to ensure that under or over feeding does not occur.

THE QUALITY OF NRM PRODUCTS IS GUARANTEED
