

Coolade®

Textured Feed

Highly palatable textured feed for horses in light to moderate work.

NRM Coolade® is a complete textured feed, which is high in fibre to provide a cool energy source. This makes Coolade the ideal feed for horses in light work, those being spelled and for horses that require diets low in grain. NRM Coolade® is also a highly palatable feed suitable for fussy eaters.

KEY BENEFITS AND FEATURES

- High fibre, low starch formulation for enhanced digestibility and cool energy for conditioning and work.
- Added linseed to increase omega 3 fatty acid level, enhancing coat condition and general health.
- Contains bioavailable organic trace minerals and natural vitamin E for optimum health and performance.

TYPICAL ANALYSIS (APPROXIMATE ON AN AS FED BASIS)

Crude Protein	12%
Fat	5%
Fibre (NDF)	25%
Moisture	12%
Digestible Energy	12MJ/kg

Vit B2 (Riboflavin)	8mg	Vit B3 (Niacin)	15mg	Vit B5 (Pantothenic acid)	5mg
Vit B6 (Pyridoxine)	2.5mg	Vit B7 (Biotin)	10mcg	Vit B9 (Folic acid)	2mg

^ Contains Zinpro organic minerals and natural vitamin E

Coolade®

Textured Feed

FEEDING RECOMMENDATIONS

NRM Coolade® can be fed alone or combined with a suitable fibre source. The following recommendations are for horses with a mature body weight of 500kg. Adjust intake according to needs based on breed, body weight, body condition, growth rate and available forage. If NRM Horse and Pony is not the best feeding solution for your horse, we recommend NRM Coolade® as an appropriate alternative. Always provide at least 1.5% of the horse's body weight in good quality forage (pasture, hay, chaff, fibre products) per day. Always allow free access to fresh clean water.

Weight of horse	300kg	400kg	500kg
Maintenance and light work	1 - 2kg	2 - 2.5kg	3 - 3.5kg
Moderate work	2 - 3kg	2.5 - 4kg	3.5 - 5kg

INGREDIENTS

Steam flaked barley, steam flaked peas, grain and grain co-products, linseed flakes, vegetable protein meal, beet pulp shreds, lucerne chaff, molasses, vegetable oil, minerals and salts, KER vitamin and mineral premix including Zinpro organic trace minerals, mould inhibitor, apple flavour.

STORAGE

Ensure product is stored in a cool, dry and vermin free environment.

RECYCLE ME

NRM bags with the Recycle Me logo use 25% less plastic per bag compared to previous versions, giving them a lower carbon footprint and enable their recyclability through Agrecovery.
