

Equine Balancer Pellets

Complete balanced vitamin and mineral pellet for all horses and ponies.

NRM Equine Balancer has been formulated in conjunction with Kentucky Equine Research to provide a scientifically formulated feed to balance the diets of all horses. NRM Equine Balancer is a concentrated vitamin and mineral pellet suitable for horses that do not require the increased calorie intake provided by supplementary feed, but still require necessary vitamin and mineral intake for optimum good health.

KEY BENEFITS AND FEATURES

- Contains concentrated vitamins and minerals required for optimum general health.
- An ideal supplement for overweight horses and ponies that do not require additional calories.
- Can also be added to a grain ration to meet requirements for essential vitamins and minerals.
- Contains bioavailable organic trace minerals and natural vitamin E for optimum health and vitality.

TYPICAL ANALYSIS (APPROXIMATE ON AN AS FED BASIS)

Crude Protein	24%
Fat	1.5%
Fibre (NDF)	18%
Moisture	12%
Digestible Energy	10MJ/kg

NUTRIENT COMPOSITION PER 1KG OF NRM EQUINE BALANCER

Crude Protein	240g	Lysine	17g	Methionine	3g
Calcium	36g	Phosphorus	20g	Magnesium	7g
Sodium	6g	Potassium	12g	Chloride	11g
Zinc [^]	650mg	Copper [^]	250mg	Selenium	3.2mg
Manganese [^]	500mg	Iron	600mg	Iodine	8mg
Cobalt	1.5mg	Vit A	65,000IU	Vit E [^]	950IU
Vit D	6,500IU	Vit K	33mg	Vit B1 (Thiamine)	45mg
Vit B2 (Riboflavin)	70mg	Vit B3 (Niacin)	220mg	Vit B5 (Pantothenic acid)	100mg

FEEDING RECOMMENDATIONS

NRM Equine Balancer can be fed alone or combined with a suitable fibre source. The following recommendations are for horses with a mature body weight of 500kg. Adjust intake according to needs based on breed, body weight, body condition, growth rate and available forage. Always provide at least 1.5% of the horse's body weight in good quality forage (pasture, hay, chaff) per day. Always allow free access to fresh clean water.

Type of Horse	Feed per day
Foal, spelling horse, dry mare, pony	400g
Horse in light work	600g
Weanling, yearling, late pregnant mare, lactating mare, stallion, hard working horse, aged horse	800g

INGREDIENTS

Grain and grain co-products, vegetable protein meal, molasses, lucerne chaff, vegetable oil, KER vitamin and mineral premix including Zinpro organic trace minerals, amino acids, minerals and salts, mould inhibitor, apple flavour.

STORAGE

Ensure product is stored in a cool, dry and vermin free environment.

RECYCLE ME

NRM bags with the Recycle Me logo use 25% less plastic per bag compared to previous versions, giving them a lower carbon footprint and enable their recyclability through Agrecovery. Scan QR below for more information.

DO NOT FEED TO ANIMALS OTHER THAN THOSE STIPULATED ON THIS LABEL

Looking for the optimum diet for your horse?

Together with KER we've made it easy with the free online nutrition tool:

[MICROSTEED.COM/NRM](https://microsteed.com/nrm)

Kentucky Equine Research (KER) is the most highly regarded, independent equine research centre in the world, committed to the advancement of equine health and athletic performance through nutrition. As a brand alliance partner, KER collaborates with NRM to provide nutritional solutions with unique, scientifically balanced feeds, specific to New Zealand, with the science to support them.
