

Ultimate Sport

Nuts

A premium quality feed suitable for all performance horses

Ultimate Sport is a semi-concentrated premium feed designed to meet the needs of performance horses in moderate to heavy work. Ultimate Sport contains highly digestible super fibres including beet pulp for slow release “cool” energy, along with Equi-Jewel® to assist in muscle conditioning and topline development essential for the hard working performance horse. Ultimate Sport includes a blend of vitamins and minerals formulated by KER to meet the nutritional demands of the performance horse during times of intense work, enabling them to perform at their best.

- Contains bioavailable organic trace minerals and natural vitamin E for superior muscle recovery and support.
- Fully fortified with all essential trace minerals and vitamins, including yeast for maximum nutrient absorption and gut health.
- Quality protein and energy sources to supply the power when you need it.

DIGESTIBLE

NATURAL VITAMIN E

SEMI-CONCENTRATED

TYPICAL ANALYSIS (APPROXIMATE ON AN AS FED BASIS)

Crude Protein	14%
Fat	6%
Fibre (NDF)	18%
Moisture	10%
Digestible Energy	13MJ/kg

Ultimate Sport is ideal for:

FEEDING RECOMMENDATIONS

Ultimate Sport can be fed alone or combined with a suitable fibre source. Adjust intake according to needs based on breed, body weight, body condition, work load and available forage. If NRM Ultimate Sport is not the best feeding solution for your horse, we recommend NRM Low GI Sport® or NRM SweetFeed™ as appropriate alternatives. Always provide at least 1.5% of the horse's body weight in good quality forage (pasture, hay, chaff, fibre products) per day. Always allow free access to fresh, clean water.

Weight of horse	400kg	500kg	600kg
Light Work	0.75 – 2kg	1.5 – 3kg	2.5 – 4kg
Moderate Work	1.5 – 3kg	2.5 – 4kg	3.5 – 5kg
Hard Work	2.5 – 4kg	3.5 – 5kg	4.5 – 6kg

INGREDIENTS

Barley, soy hulls, beet pulp shreds, Equi-Jewel®, grain and grain co-products, vegetable protein meal, molasses, cold pressed canola oil, yeast culture, KER vitamin and mineral premix including Zinpro organic trace minerals, amino acids, minerals and salts, mould inhibitor, apple flavour, natural vitamin E.

STORAGE

Ensure product is stored in a cool, dry and vermin free environment.

RECYCLE ME

NRM bags with the Recycle Me logo use 25% less plastic per bag compared to previous versions, giving them a lower carbon footprint and enable their recyclability through Agrecovery.
